WeChat – Effectively Communication to Target Audiences

Features:

1. Extensive target audience: The sharing features of social media allows your brand/product promotion to achieve maximum efficiency
2. Growing followers: The average growth rate of followers was 30% in 2020.
3. Focused quality buyers: Accumulating quality followers through vertical industry exhibitions, seminars, WeChat sharing and integrated online-offline activities.
4. Leads generation (not just views) with call to actions- links to registration pages etc.
5. Marketing cooperation with 3rd parties will help you to boost your Page Views.

Ringier has more than **12** different **WeChat** public accounts and **20+** **WeChat groups** that cover various aspects of each industry.
Our goal is to improve communication between you and your target audience through the interactive transmissions of the latest industry news and technology in a mobile format that prompts a response and encourages sharing.

Article

Your existing articles will be optimized by Ringier's editors to suit the WeChat format and placed in the most relevant Industry channel - reaching a highly motivated group of industry professionals - we will advise you on how to create a "call to action" that can generate real leads - not just views and likes - leads you can turn into business.

**the materials provided by the clients*
